

**REMARKS**

The above-identified application was allowed in the Notice of Allowance mailed June 24, 2010. The issue fee is due on September 24, 2010.

On August 12, 2010, the publication department issued a Notice to File Corrected Application papers, requiring deletion of the figures on page 9, 13, 55, and 59 of Applicants' specification, the submission of these figures as formal drawings "in accordance with 37 C.F.R. 1.84," and amendment to the specification if necessary. The amendments to the specification made herein and submission of the drawings as figures are in response to the publication department's requirement. Specifically, Applicants have deleted the figures on page 9, 13, 55, and 59, amended paragraphs [034], [050], [051], [193], [199], and [212] to account for the deletion of the figures from those pages, and added a brief description of Figures 1-5 after paragraph [010] on page 3.

In addition, Applicants submit separate sheets containing Figures 1, 2, 3, 4, and 5. Each amendment is fully supported by the specification, will not require an additional search, and does not raise new issues. Therefore, Applicants respectfully request that this Amendment be entered and the requested changes made.

Please grant any extensions of time required to enter this response and charge  
any additional required fees to Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,  
GARRETT & DUNNER, L.L.P.
